- Take the speakers, lightpro, power cords and other equipment as required to the meeting hall. Set up the speakers, lectern, AV, and ensure that members are putting the chairs out correctly. Make sure the microphones have batteries, and they work.
- If there is a special occasion i.e. demonstrations or stalls before or after the meeting, coordinate the setting up of tables with the guests/vendors. (The February meeting each year is teachers/sponsors – work with the Publicity Officer to invite sponsors well in advance).
- Welcome the guest speaker, tell them where they are in the evening's agenda, introduce them to the President, and settle them in their seat. Be the perfect host.
- Give the President the speaker's gift before the meeting starts. The President will present this to the speaker at the conclusion of their talk.
- Control the AV for the guest speaker. Ask someone to control the lights.
- Pack up everything and take back to the rooms.
