

# Canberra Quilters' Mystery Quilt 2022

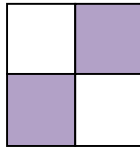

## Part 1 - September

You will need the bag marked part 1. We will be making 4-patches. Keep the eight squares that you cut and pinned together in a group.

Pair each jelly roll square with a background square and stitch together. Press towards darker fabric.

Take two of these and join together to make the 4 patches and press to one side.

Pin the 4 matching blocks together – you will have 20 sets.
