

Do you want to learn more about Patchwork and Quilting?

Come to Canberra Quilter's Inc.

Our membership is diverse; from beginners through to those who are highly regarded nationally and internationally. Many make quilts only for family members and others exhibit and teach locally, nationally and overseas. Canberra Quilters is fortunate to count as members, women and men who are generous with their time and extensive skills, and who make everyone welcome.

Canberra Quilters enjoys showcasing our members' wide range of skills and interests by posting photos of workshops, quilts, interest groups and Exhibition activities on its blog and social network sites. Members all learn from each other in various forums, about traditional and modern or contemporary patchwork and quilting as well as the artistic interpretation of quilting techniques.

We also:

- make and donate quilts to charity
- hold an annual members' exhibition
- distribute a quarterly newsletter
- maintain an extensive specialist library
- run quilters' retreats
- run skills or special interest workshops.

If you are interested, come to one of our monthly meetings held on the **first Thursday of each month (except January) at 7.30 pm** at the Canberra Quilters Home at the Cook Community Hub, Templeton Street, Cook. We often have guest speakers and book launches; we always make time for our members to show the quilts they have finished; the library is available; and there is an opportunity to have a cup of tea and network. These meetings are always well attended and are wonderful evenings.

Or you may prefer a smaller, more informal group held during the day. Come to Cook on the **third Wednesday of the month at 9.30 am to 12.30 pm** or on the **fourth Friday of the month, from 10 am to 1 pm**. Both groups encourage you to bring your hand sewing. Information regarding special interest groups may also be found on our website.
